

KNB Scholarship 2024

at Universitas Islam Indonesia

The Kemitraan Negara Berkembang (KNB) Scholarship is financially supported by the Indonesia Endowment fund for Education Agency (LPDP) from the Indonesian Government. KNB offers quality bachelor and postgraduate programs managed by 31 prominent universities in Indonesia, including Universitas Islam Indonesia (UII), providing students with the experience of studying in top universities and living in a diverse and vibrant society. It offers international students from developing countries the opportunity to pursue their master's and doctorate degrees at Indonesian universities. The KNB program objectives are to contribute to human resource development in developing countries, promote deeper cultural understanding among developing countries, and strengthen the relationship and cooperation among developing countries.
